### **Overview of The OrganWise Guys:**

The OrganWise Guys Incorporated is dedicated to empowering children to be healthy and smart from the inside out. This unique, research-tested program includes The OrganWise Guys® characters that establish a connection point of engagement with children. Their curriculum-linked, peer-reviewed programming provides a prep-free solution for educators who want to improve their students' health and academic performance using a robust, easy-to-use digital platform as well as physical resources.
