Solutions rooted in the science of reading
for grades PreK–12

Advancing Literacy, Empowering Educators

For more than 70 years, EPS has partnered with educators to advance literacy as the springboard for lifelong learning and opportunity. Today we continue that legacy as EPS Learning.

Trusted, Relevant Solutions and Supports

Through a comprehensive framework based in the science of reading, EPS Learning offers a connected, consistent system to support instructional needs—and personalized learning opportunities to help educators move all students toward growth, mastery, and success.

Introducing: The EPS Literacy Framework

Grounded in the science of reading, our literacy framework includes print and digital materials—and provides comprehensive coverage for every grade level, tier, and reading pillar.

Key solutions include:

- **SPIRE:** Our flagship reading intervention program for striving readers
- **Readfetti Decodable Readers:** Research-backed decodable readers tailored for grades K–2
- **Wordly Wise:** Direct academic vocabulary instruction to develop the critical link between vocabulary and reading comprehension
- **Coach Digital Compass:** All-in-one online standards-based instruction and assessment solution
- **NEW! Reading Assistant:** AI-powered assessment and independent practice

Customized Professional Learning

Help teachers and paraprofessionals meet the diverse, ever-evolving needs of today's striving readers with customized professional learning opportunities and dedicated support from a team of experts.

Our three-step process:

1. **Discover:** First, we determine requirements for implementation, scheduling, and fidelity.
2. **Plan:** Next, we create a custom plan that integrates teacher training with proven instructional strategies, classroom coaching, and ongoing support.
3. **Execute:** Finally, we schedule and execute the training sessions at your convenience.

Advance Literacy with EPS Learning

As PreK–12 leaders face mounting pressure to implement high-impact, evidence-based reading programs, EPS Learning offers solutions and supports to help you support each student's unique journey toward literacy — and beyond.
