Aligns to Your Phonics Curriculum

With 400+ titles, our Science of Reading decodables align to all phonics programs including LETRS and UFLI! We will work with districts to create a customized map to seamlessly integrate our decodables into your classrooms.

Reinforces Phonics in School and at Home

Take-Home Decodable Packs are mapped to district reading data to support small group instruction and continued learning at home. Packs are customized for each student to build phonics skills throughout the year, school breaks, and Summer School.

# Classroom Libraries

## ★ Pre-Emergent Library

Every Pre-Emergent decodable includes **dry erase pages** to encourage readers to practice their letter formations and reinforce their decoding and writing skills.

## ★ K-2nd Grade Libraries

Our engaging Science of Reading Decodables support learning from early CVC words through digraphs, vowel teams and much more!

## ★ High-Interest Decodable Chapter Books

Our High-Interest Decodable Chapter Book Library reinforces phonograms, prefixes, suffixes, and word endings.

We have an audacious goal of 95% of our students reading at or above grade level...**Just Right Reader decodables are key to closing that gap.**
