

Security Solutions for Safer Schools

Keeping Schools Safe:

Count on our expertise in designing a safe and secure learning environment!

2 SECONDS AND HELP IS ON THE WAY

School systems have a critical need for emergency notification systems. We strive to help keep students, teachers, and other key school staff SAFE - because you are the lifeblood of our local communities and our future.

To learn more, join us for a 30-Minute Webinar

February 10th, 2 pm EST

To register: wjustice@capitolelectronics.com
